 interest in it; listener who asks whether it is true that an american
 citizen is buried in red square is told that actually there are
 three american citizens that are buried by kremlin walls, among
 them john reed; american listener who asks do you believe that this
 massive buildup of nuclear weapons btwn u.s. and ussr is going
 to result in nuclear catastrophe, reply fully agrees with latter
 part of stmt and explains views of ussr and usa on consequences of
 nuclear war, pointing out usa does not feel all that pessimistic
 about consequences of nuclear war; listener who asks why does not
 the soviet govt and also my govt sit down and talk over their
 differences instead of talking about missiles and guns, is told
 that soviet ldrship has always considered that summit talks are
 one of those effective methods o to develop relations btwn states,
 but for such talks to be a success it takes thorough prep.
